## **DETAILED ACTION**

### ***Continued Examination Under 37 CFR 1.114***

1. A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after final rejection. Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, the finality of the previous Office action has been withdrawn pursuant to 37 CFR 1.114. Applicant's submission filed on October 26, 2007 has been entered. The previous Final Rejection is withdrawn.

### ***Claim Rejections - 35 USC § 103***

2. Claims 68-81 are rejected under 35 U.S.C. 103(a) as being unpatentable over Berstis, US 6,570,870.

Berstis discloses, e.g. Figs. 1-6 and associated text, a premium telephone number, e.g. "900" telephone number, a billing server, e.g. 45, 48, a web server program, e.g. 22, a browser, e.g. 16, a telephone communication billing entity, e.g. ISP, and management servers, if required, and a product, e.g. live operator. Berstis does not disclose the specific term access information. However, Berstis does disclose the ISP is billed for the product/service rendered. Nonetheless, access information has been common knowledge in the electronic commerce transaction art when processing a purchase for a product/service in order to claim the product/service. To have provided such access information for Berstis would have been obvious to one of ordinary skill in the art.

The Examiner is cognizant of the prosecution history of the present application. However, the action is deemed warranted in light of the newly discovered art in juxtaposition with the claim language.

3. Further pertinent references of interest are noted on the attached PTO-892.
4. Applicant's Information Disclosure Statement (IDS) received October 26, 2007 has been reviewed. Note the attached IDS. It is noted the "Sweetland" reference was previously reviewed, as noted from the September 25, 2007 Final Rejection.
5. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Andrew Joseph Rudy whose telephone number is 571-272-6789. The examiner can normally be reached on Monday thru Friday.
